

## Foundation in Social Sciences, Business and Law

Developed and awarded by University of Birmingham (Birmingham), UK

### BIRMINGHAM UNDERGRADUATE PATHWAYS AND REQUIREMENTS

Upon successful completion of the Foundation programme at the necessary level of achievement, you can progress to one of the following undergraduate degree programmes at the University of Birmingham in the UK. The undergraduate degree programmes at Birmingham are normally three-year programmes.

You will be required to indicate your desired choice of undergraduate course in your e-application submission to SIM Global Education.

The undergraduate courses and progression requirements are subject to change and will follow in accordance to the Foundation programme in the UK. For the most up-to-date list of available undergraduate degree programmes and progression requirements, please refer to the University's website at:

<http://www.birmingham.ac.uk/International/foundation-pathways/pathways/ss-business-and-law-January.aspx>

^ Your average is based on all modules taken and weighted according to the credit value of the module.
