LA TROBE UNIVERSITY

At La Trobe, we're ambitious global thinkers. Since we opened our doors in 1967, we have equipped more than 190,000 graduates with the skills and experience to build successful careers. Among our graduates are CEOs of prominent organisations, parliamentarians, human rights activists, researchers and Olympians. Australia is a multicultural nation and so is our university, with more than 8,000 students from 110 countries studying with us annually.

La Trobe has built an international reputation. We were ranked among the QS Top 50 Under 50 2016-2017, strengthening our position as one of the world's fastest-rising young universities. The 2018 QS World University Rankings has La Trobe ranked 360 in the world, an improvement of 26 positions from the 2017 ranking of 386. We're also internationally recognised for our research, with 19 fields of research rated well above world standard

by the Excellence in Research for Australia Report 2015.

La Trobe Business School

The La Trobe Business School is committed to excellence in business education and research through innovation, strong engagement with industry, and an emphasis on responsible management practice. Through this we aim to provide our student with the knowledge, skills, and experience to graduate ready for the workforce.

The Business School was recognised for its excellence in the QS Global 250 Business Schools Report 2017, where we ranked as a 'Superior School' (QS Top MBA), and 50th in the world for hospitality and leisure management in the QS World Rankings by Subject 2017.

The Department of Management, Sport and Tourism offering the Bachelor of Business (Tourism

and Hospitality) and Bachelor of Business (Event Management) is one of four departments in the La Trobe Business School. Combining high quality research, teaching and business and community engagement, the Department has strengths in areas such as human resource management, management information systems, sport management, international business, leadership, ethics and governance, innovation and entrepreneurship, tourism and hospitality, event management, networks, consumer behaviour and branding.

Tourism, Hospitality and Event Management programmes

The Bachelor of Business (Event Management) is designed to produce future leaders for the special events sector, while the Bachelor of Business (Tourism and Hospitality) provides students with the skills and knowledge needed to work in a rapidly growing industry.

La Trobe was ranked among the **QS Top 50 Under 50** 2016-2017

Besides the QS World University ranking, the 2017 Shanghai Ranking's Global Ranking of Academic Subjects also placed our hospitality and tourism programme in the top 75 globally.

Both degrees feature a balance of theoretical and practical insights, and our leading academics continuously work to improve the student learning experience, and connect with business to ensure course content features the latest insights.

BACHELOR OF BUSINESS (EVENT MANAGEMENT) (TOP-UP)

Overview

This degree is designed to produce future leaders for the special events sector. It emphasises the application of theoretical knowledge and practical skills needed for the effective management of events. It provides you with many career options by expanding on previously obtained knowledge - encompassing areas such as accounting, marketing, business law and economics - with specialised professional studies related to the management of special events such as entrepreneurship, volunteer management, arts and community festivals, meetings, conferences and tradeshows as well as the opportunity to plan and evaluate events.

Objectives

On successful completion of this programme you will be able to:

Discipline Specific

- Apply knowledge and skills to design and deliver sustainable event services and experiences.
- Integrate a broad and coherent, elementary, theoretical and operational knowledge of the event industry as interdisciplinary fields of research and practice.
- Work together with key stakeholders to acquire and

convey knowledge and ideas effectively to achieve shared goals in unambiguous contexts.

- Apply cognitive skills to collect, analyse and synthesise information to develop and evaluate solutions for straightforward event industry problems.
- Critically reflect on your own conduct, to improve your own interpersonal and operational skills and knowledge, in light of your role in the events industry and their impact on the economy, environment and society.

Generic

- Design and evaluate innovative solutions through the application of disciplinary knowledge and skills to researching, analysing and resolving social, environmental and business challenges.
- Recognise and apply future-focused, socially and environmentally responsible, business principles to generate sustainable economic value.
- Engage professionally and effectively with individuals and organisations, in a manner which is respectful of the needs, values, personalities and capabilities of others.
- Communicate professionally and effectively with a range

of audiences, for a variety of purposes, using appropriate communication tools.

Private Education Act

Under the Private Education Act, legislated in December 2009, a Council for Private Education was set up to regulate the private education industry in Singapore. From 03 October 2016, the Council for Private Education became part of a new statutory board - SkillsFuture Singapore (SSG). Under the new structure, the SSG Board appointed the Committee for Private Education (CPE) to carry out its functions and powers relating to private education under the Private Education Act.

All Private Education Institutions (PEIs) are required to comply with the regulations under the Act in order to continue operations.

Following are the requirements which Singapore Institute of Management Pte Ltd (SIM PL) has put in place:

PEI-Student Contract

CPE, in aiming to enhance the confidence of students and their parents in the quality of education in Singapore, has stipulated that all PEIs must sign a PEI-Student Contract with students. The contract sets out the terms and conditions governing the relationship between the student and PEI. SIM PL will honour all terms and conditions in the contract and in all communication materials.

Students may request for a copy of the PEI-Student Contract from SIM PL or view it on the CPE website (www.cpe.gov.sg).

Cooling-Off Period

There will be a cooling-off period of 7 working days after signing the PEI-Student Contract. Students have the right to cancel the contract within the 7 working days and be refunded the highest percentage of the fees already paid if the students submit written notice of withdrawal to SIM PL within the cooling off period (refer to Clause 2.3 of PEI-Student Contract). After the cooling-off period, SIM PL's refund policy will apply.

Fee Protection Scheme

SIM PL adopts a mandatory Fee Protection Scheme (FPS) to protect the paid fees of both local and international students. The FPS serves to protect the student's fees in the event that the PEI is unable to continue operations due to insolvency, and/or regulatory closure. In addition, the FPS protects the student if the PEI fails to pay penalties or return fees to the student arising from judgments made against it by the Singapore courts.

SIM PL has appointed Etiqa Insurance Pte. Ltd. and Lonpac Insurance Bhd as our FPS insurance providers. Under the FPS insurance scheme, students' fees will be insured by the FPS insurance provider pre-assigned by SIM PL. In case of events as stated above, students will be able to claim their paid fees from the respective FPS insurance provider.

More details of the FPS can also be found in the FPS Instruction Manual, available at www.cpe.gov.sg.

Medical Insurance

SIM PL has in place a group medical insurance scheme for all its students. This medical insurance scheme will have a minimum coverage as follows: an annual coverage limit of S\$20,000 per student, covers up to B2 ward in government and restructured hospitals and provides for 24 hours coverage in Singapore and overseas (if student is involved in SIM PL-related activities) throughout the course duration.

For more information on medical insurance, visit: www.simge.edu.sg/ge/medicalinsurance.

Refund, Course Transfer, Leave of Absence and Withdrawal Policies

For refund, course transfer, leave of absence and withdrawal policies, please refer to www.simge.edu.sg/ge/refund.

Confidentiality

SIM PL is committed to maintaining the confidentiality of the student's personal information and undertakes not to divulge any of the student's personal information to any third party without the prior written consent of the student SUBJECT TO the obligation of SIM PL to disclose to any Singapore government authority any information relating to the student in compliance with the law and/or to the organisation conferring/awarding the qualification.
