WELCOME MESSAGES

Gain a **Global Edge at SIM GE** for the global workplace in the future economy

Welcome to SIM Global Education (SIM GE) – A global campus with over 10 top-ranking international universities from the UK, the US, Europe and Australia. As a premier institution of higher learning, we are a gateway to the world with a wide range of academic programmes to choose your ideal learning pathways from.

SIM GE is the global education arm of the Singapore Institute of Management (SIM Group) which was an initiative started in 1964 by the Economic Development Board to support Singapore's industrialisation. As one of the largest and leading private educational institutions in Singapore, we take pride in our reputation for quality academic standards and a vibrant student experience.

At SIM GE, we are committed to delivering a holistic education to empower individuals in their

respective fields and communities. We also aim to inspire passion in them to excel and to strive for bigger goals.

In today's fast-changing world, the ability to adapt and evolve will give you an edge. With our multicultural learning environment and diverse campus life, you will gain the skills, knowledge and insights you need to be career ready. These will enable you to gain a Global Edge as you make your mark in the global workplace of the future.

I invite you to come and be a member of our community, and discover how, like them, you can fulfil your aspirations by embarking on an exciting educational journey with us.

experience** with
academic focus

Welcome to the International Foundation Programme (IFP) and to the University of London. You will find that studying for the IFP is both interesting and rewarding. The programme has been designed to provide you with the knowledge and skills necessary to progress to degree-level study. It will help you achieve high academic standards and acquire the intellectual curiosity you will need for your future. At SIM GE, the teaching team will guide you through your studies and provide a rich learning environment which is supported by the University of London IFP team and our online resources.

Successful IFP students can choose to continue their studies at SIM, with a guaranteed place on University of London degrees offered by SIM GE.

The IFP provides an ideal introduction to these degrees since the subjects taught and the skills learnt are carefully focused on helping you pursue further studies. It is also possible to complete the IFP and then choose to study overseas. Our students have successfully won places at some of the top universities in the UK, while others have taken up studies in Australia, Canada and the United States.

Whichever pathway you choose, we wish you well in your studies.

SIM GE students have been offered admission into LSE, Birkbeck, Birmingham, Durham, Edinburgh, KCL and Leeds in the UK and University of Melbourne in Australia.

UNIVERSITY OF LONDON

A degree from the University of London is a mark of excellence, respected by employers and universities worldwide. This is because the University of London is one of the world's leading universities, internationally recognised for its high academic standards. This reputation is based on the outstanding teaching and research of its 18 world-class Member Institutions and 9 specialist institutes.

Since 1858, University of London degrees have been accessible to students all over the world.

In 2013, the University of London launched its International Foundation Programme, a challenging and inspiring programme designed to provide students with the skills and knowledge to prepare them for rigorous undergraduate study. This is a taught programme that must be studied at an approved institution.

On successful completion of your studies you will be awarded a University of London International Foundation Certificate.

The International Foundation Programme provides guaranteed entry to a range of undergraduate degrees offered via the University of London, including degrees in Economics, Management, Finance and Social Sciences. Furthermore, many of the UK's most prestigious Universities will accept successful completion of the International Foundation Programme as meeting their entry requirements and will consider applications from students who have this qualification.

INTERNATIONAL FOUNDATION PROGRAMME

Objectives

The year-long International Foundation Programme (IFP) equips you with the skills and knowledge required for undergraduate study with a structured learning experience with academic focus. The programme is offered to students with a high school education but without the GCE 'A' level qualification or its equivalent. IFP studies therefore prepare students for entry into university degree programmes. These subjects, not taught in most high schools, develop a strong academic foundation for students entering university to pursue business, management, financial and related courses.

Upon successful completion of the IFP, graduates will be deemed as meeting the admission requirements for entry into the University of London's Economics, Management, Finance and Social Sciences (EMFSS), Computing (CIS/CC) undergraduate degree

programmes also taught at SIM GE. It also gains entry to the UOL undergraduate Laws programme. Progression into these Bachelor's degree programmes is automatic and assumed.

“We chanced upon the IFP at SIM and found out that they could provide a more university-focused curriculum, which could prepare our daughter for direct admission to universities in the UK and the US. I would recommend this course to other parents whose children are more suited to learn by going through an unconventional pathway such as the IFP.” (2017)

Private Education Act

Under the Private Education Act, legislated in December 2009, a Council for Private Education was set up to regulate the private education industry in Singapore. From 03 October 2016, the Council for Private Education became part of a new statutory board - SkillsFuture Singapore (SSG). Under the new structure, the SSG Board appointed the Committee for Private Education (CPE) to carry out its functions and powers relating to private education under the Private Education Act.

All Private Education Institutions (PEIs) are required to comply with the regulations under the Act in order to continue operations.

Following are the requirements which Singapore Institute of Management Pte Ltd (SIM PL) has put in place:

PEI-Student Contract

CPE, in aiming to enhance the confidence of students and their parents in the quality of education in Singapore, has stipulated that all PEIs must sign a PEI-Student Contract with students. The contract sets out the terms and conditions governing the relationship between the student and PEI. SIM PL will honour all terms and conditions in the contract and in all communication materials.

Students may request for a copy of the PEI-Student Contract from SIM PL or view it on the CPE website (www.cpe.gov.sg).

Cooling-Off Period

There will be a cooling-off period of 7 working days after signing the PEI-Student Contract. Students have the right to cancel the contract within the 7 working days and be refunded the highest percentage of the fees already paid if the students submit written notice of withdrawal to SIM PL within the cooling off period (refer to Clause 2.3 of PEI-Student Contract). After the cooling-off period, SIM PL's refund policy will apply.

Fee Protection Scheme

SIM PL adopts a mandatory Fee Protection Scheme (FPS) to protect the paid fees of both local and international students. The FPS serves to protect the student's fees in the event that the PEI is unable to continue operations due to insolvency, and/or regulatory closure. In addition, the FPS protects the student if the PEI fails to pay penalties or return fees to the student arising from judgments made against it by the Singapore courts.

SIM PL has appointed Etiqa Insurance Pte. Ltd and Lonpac Insurance Bhd as our FPS insurance providers. Under the FPS insurance scheme, students' fees will be insured by the FPS insurance provider pre-assigned by SIM PL. In case of events as stated above, students will be able to claim their paid fees from the respective FPS insurance provider.

More details of the FPS can also be found in the FPS Instruction Manual, available at www.cpe.gov.sg.

Medical Insurance

SIM PL has in place a group medical insurance scheme for all its students. This medical insurance scheme will have a minimum coverage as follows: an annual coverage limit of S\$20,000 per student, covers up to B2 ward in government and restructured hospitals and provides for 24 hours coverage in Singapore and overseas (if student is involved in SIM PL-related activities) throughout the course duration.

For more information on medical insurance, visit: www.simge.edu.sg/ge/medicalinsurance.

Refund, Course Transfer, Leave of Absence and Withdrawal Policies

For refund, course transfer, leave of absence and withdrawal policies, please refer to www.simge.edu.sg/ge/refund.

Confidentiality

SIM PL is committed to maintaining the confidentiality of the student's personal information and undertakes not to divulge any of the student's personal information to any third party without the prior written consent of the student SUBJECT TO the obligation of SIM PL to disclose to any Singapore government authority any information relating to the student in compliance with the law and/or to the organisation conferring/awarding the qualification.
