WELCOME MESSAGES

Gain a **Global Edge at SIM GE** for the global workplace in the future economy

Welcome to SIM Global Education (SIM GE) – A global campus with over 10 top-ranking international universities from the UK, the US, Europe and Australia. As a premier institution of higher learning, we are a gateway to the world with a wide range of academic programmes to choose your ideal learning pathways from.

SIM GE is the global education arm of the Singapore Institute of Management (SIM Group) which was an initiative started in 1964 by the Economic Development Board to support Singapore's industrialisation. As one of the largest and leading private educational institutions in Singapore, we take pride in our reputation for quality academic standards and a vibrant student experience.

At SIM GE, we are committed to delivering a holistic education to empower individuals in their

respective fields and communities. We also aim to inspire passion in them to excel and to strive for bigger goals.

In today's fast-changing world, the ability to adapt and evolve will give you an edge. With our multicultural learning environment and diverse campus life, you will gain the skills, knowledge and insights you need to be career ready. These will enable you to gain a Global Edge as you make your mark in the global workplace of the future.

I invite you to come and be a member of our community, and discover how, like them, you can fulfil your aspirations by embarking on an exciting educational journey with us.

Dr Lee Kwok Cheong
Chief Executive Officer
SIM Global Education

Gain an **MSc** and an **ACCA** professional accountancy qualification at the same time

The University of London is pleased to announce that the UCL School of Management is providing the academic direction for the MSc Professional Accountancy at SIM Global Education. This is an exciting opportunity to be involved in this academically stimulating and professionally relevant Master's programme.

There are two pathways candidates can take depending on their current stage, and whichever pathway you follow, there is flexibility in your mode of study and an effective support network.

One of the powerful features of the programme is the comprehensive and interactive resource material available to provide you with the most effective platform to succeed. We provide a substantive Virtual Learning Environment (VLE) that provides video support and networking opportunities with your peers.

Our challenging and inspiring programmes provide students with the knowledge and skills relevant to a range of professions. More than this, they are designed to help students develop the capacity to solve complex problems, to critically evaluate alternative approaches and to perform well under pressure. As a result our graduates develop a lifelong ability to learn which will be of value throughout their whole career.

The MSc in Professional Accountancy enables you to gain a Master's degree from the University of London, and your ACCA professional accountancy qualification at the same time.

We are very excited about this Master's degree, and hope you are too! We look forward to seeing you on the programme.

Dr Mary Stiasny OBE

UNIVERSITY OF LONDON

A degree from the University of London is a mark of excellence, respected by employers and universities worldwide. This is because the University of London is one of the world's leading universities, internationally recognised for its high academic standards. We consist of 18 world-class member institutions with outstanding global reputations and several prestigious central academic bodies and activities.

Since 1858, University of London degrees have been accessible to students all over the world. Alumni of the University of London have gone on to shape our world. These include seven Nobel Prize winners, leaders of Commonwealth countries, government ministers, renowned authors, academics, judges and business leaders. Today, the University of London is truly international in character with over 50,000 students in more than 190 countries.

Academic direction for all of the programmes offered through the University of London is provided by member institutions of the University. Academics at these Colleges develop the syllabuses, prepare the study materials, and are responsible for the assessment of students. This means that students benefit from the academic rigour and leading-edge research undertaken by the Colleges. It also helps to ensure that University of London qualifications are of the same high academic standard, however they are achieved.

On successful completion of your studies you will be awarded a University of London qualification. The certificate you receive will state that you were registered with the University of London and will include the name of the University College London which conducted the examinations. In January 2017, SIM hosted an academic symposium for the MSc which was conducted by the UCL Programme Director, Lysie Chew, and Deputy Director (Education), Dr Alan Parkinson.

UCL is one of the world's leading universities and was founded in 1826 in London, to open up university education in England to those who had been excluded from it. In 1878, it became the first university in England to admit women students on equal terms with men. Today the university's outstanding research and innovative teaching drive entrepreneurial solutions to the world's major problems.

Key Facts & Figures

- ▲ UCL is ranked seventh in the world's top 10 universities by the QS World University Rankings (2018). The UCL Institute of Education is ranked number one for education and training.
- ▲ The academic community in UCL includes 56 Fellows of the Royal Society, 51 Fellows of the British Academy, 15 Fellows of the Royal Academy of Engineering and 121 Fellows of the Academy of Medical Sciences.
- ▲ Nobel Prizes have been awarded to 29 people who are or were students or academics at UCL. The most recent addition, in 2014, is John O'Keefe (Medicine). Eleven UCL Honorary Graduates and Fellows have also been awarded Nobel Prizes.
- ▲ 52% of the nearly 38,900-strong student community is engaged in graduate studies, with nearly a third of these graduate students pursuing research degrees.

ASSOCIATION OF CHARTERED CERTIFIED ACCOUNTANTS (ACCA)

A Memorandum of Cooperation was signed between Dr Lee Kwok Cheong, CEO for SIM Global Education and Mr Stephen Heathcote, ACCA's Executive Director (Markets).

ACCA (the Association of Chartered Certified Accountants) is the global body for professional accountants offering business-relevant, first-choice qualifications to people of application, ability and ambition around the world who seek a rewarding career in accountancy, finance and management.

Founded in 1904, ACCA has consistently held unique core values: opportunity, diversity, innovation, integrity and accountability. We believe that accountants bring value to economies in all stages of

development. We aim to develop capacity in the profession and encourage the adoption of consistent global standards.

ACCA works to open up the profession to people of all backgrounds and remove artificial barriers to entry, ensuring that our qualifications and their delivery meet the diverse needs of trainee professionals and their employers. We work in partnership with governments, international agencies and professional bodies to develop the global accountancy profession and to advance public interest.

ACCA supports its 208,000 members and 503,000 students in 179 countries, helping them to develop successful careers in accounting and business, with the skills required by employers. ACCA works through a network of 104 offices and centres and more than 7,300 Approved Employers worldwide, who provide high standards of employee learning and development.

MASTER OF SCIENCE IN PROFESSIONAL ACCOUNTANCY

Overview

The University of London, the UCL School of Management and ACCA are enabling you to complete a Master of Science (MSc) in Professional Accountancy and your ACCA professional accountancy qualification at the same time.

If you are an active ACCA affiliate or member, complete two modules to earn a University of London Master's degree via Pathway 2.

If you are an active ACCA student, complete the Master's via Pathway 1 and also become an ACCA affiliate.

Getting both qualifications will be of value to accountants aspiring senior roles and enable them to stand out from the crowd. Compared with the cost of studying for an accountancy qualification and a master's separately, this will save time and money for many ACCA students.

Graduates may be awarded a Master's with Distinction, Merit or Pass.

Private Education Act

Under the Private Education Act, legislated in December 2009, a Council for Private Education was set up to regulate the private education industry in Singapore. From 03 October 2016, the Council for Private Education became part of a new statutory board - SkillsFuture Singapore (SSG). Under the new structure, the SSG Board appointed the Committee for Private Education (CPE) to carry out its functions and powers relating to private education under the Private Education Act.

All Private Education Institutions (PEIs) are required to comply with the regulations under the Act in order to continue operations.

Following are the requirements which Singapore Institute of Management Pte Ltd (SIM PL) has put in place:

PEI-Student Contract

CPE, in aiming to enhance the confidence of students and their parents in the quality of education in Singapore, has stipulated that all PEIs must sign a PEI-Student Contract with students. The contract sets out the terms and conditions governing the relationship between the student and PEI. SIM PL will honour all terms and conditions in the contract and in all communication materials.

Students may request for a copy of the PEI-Student Contract from SIM PL or view it on the CPE website (www.cpe.gov.sg).

Cooling-Off Period

There will be a cooling-off period of 7 working days after signing the PEI-Student Contract. Students have the right to cancel the contract within the 7 working days and be refunded the highest percentage of the fees already paid if the students submit written notice of withdrawal to SIM PL within the cooling off period (refer to Clause 2.3 of PEI-Student Contract). After the cooling-off period, SIM PL's refund policy will apply.

Fee Protection Scheme

SIM PL adopts a mandatory Fee Protection Scheme (FPS) to protect the paid fees of both local and international students. The FPS serves to protect the student's fees in the event that the PEI is unable to continue operations due to insolvency, and/or regulatory closure. In addition, the FPS protects the student if the PEI fails to pay penalties or return fees to the student arising from judgments made against it by the Singapore courts.

SIM PL has appointed Etiqa Insurance Pte. Ltd and Lonpac Insurance Bhd as our FPS insurance providers.

Under the FPS insurance scheme, students' fees will be insured by the FPS insurance provider pre-assigned by SIM PL. In case of events as stated above, students will be able to claim their paid fees from the respective FPS insurance provider.

More details of the FPS can also be found in the FPS Instruction Manual, available at www.cpe.gov.sg.

Medical Insurance

SIM PL has in place a group medical insurance scheme for all its students. This medical insurance scheme will have a minimum coverage as follows: an annual coverage limit of S\$20,000 per student, covers up to B2 ward in government and restructured hospitals and provides for 24 hours coverage in Singapore and overseas (if student is involved in SIM PL-related activities) throughout the course duration.

For more information on medical insurance, visit: www.simge.edu.sg/ge/medicalinsurance.

Refund, Course Transfer, Leave of Absence and Withdrawal Policies

For refund, course transfer, leave of absence and withdrawal policies, please refer to www.simge.edu.sg/ge/refund.

Confidentiality

SIM PL is committed to maintaining the confidentiality of the student's personal information and undertakes not to divulge any of the student's personal information to any third party without the prior written consent of the student SUBJECT TO the obligation of SIM PL to disclose to any Singapore government authority any information relating to the student in compliance with the law and/or to the organisation conferring/awarding the qualification.
