Flexible Modules: Any modules listed above may be taken as an individual flexible module, subject to the completion of pre-requisite requirements. An individual module can only be counted once, as part of a major or a minor, or as a flexible module. The availability of modules for enrolment as flexible modules in any particular semester may be subject to resource constraints.

^ The Accounting Professional Services minor is designed for students enrolled in the Accountancy degree seeking to meet the requirements for admission to associate membership of all professional accounting bodies in Australia.

^^ Capstone Module: For a capstone module you are required to integrate, critically reflect and apply knowledge and skills you have developed across the program. Hence, the Capstone should be attempted last among the major modules.
