GRADUATE DIPLOMA IN HUMAN RESOURCE MANAGEMENT

Overview

Since 1978, SIM has had a successful history of offering Graduate Diplomas in the various business fields and industry - from the first Graduate Diploma in Personnel Management to subsequent ones in Marketing, Financial Management and Business Administration.

Today, our signature programmes are well-recognised amongst executives and managers looking to upgrade their knowledge and skills to be successful in management and productivity in Singapore, and beyond.

Real Solutions for Real Market Needs

The popularity of our SIM programmes is attributed to its problem-centred and practical curricula and pedagogy.

SIM lecturers, who are industry practitioners, infuse the programmes with pragmatic market-based insights, and effectively facilitate the incubation of ideas and solutions from the participants.

The cross-pollination of ideas, robust discussions, and critical thinking serve to engender real solutions for real market needs, thus preparing participants to be adaptable to the challenges in an ever-changing market.

Designing A Future-Ready Roadmap

The responsibility of optimising human resources is entrusted to human resource professionals who now face the challenge of designing training, reward, selection and industrial relations systems that will be the road-maps of our 21st century's new economy.

In this new dynamic economy, the need to manage and develop human resources to drive innovation and productivity while creating a quality work life, has become more strategic to organisational success than ever before.

Graduate Diploma is a popular alternative to a Master's degree as it provides a more focused curriculum.

“The knowledge shared by the lecturers helped one to relate the concepts you learned and the applications in the real world.” (2016)

Private Education Act

Under the Private Education Act, legislated in December 2009, a Council for Private Education (CPE) was set up to regulate the private education industry in Singapore. From 03 October 2016, the Council for Private Education became part of a new statutory board – SkillsFuture Singapore (SSG). Under the new structure, the SSG Board appointed the Committee for Private Education (CPE) to carry out its functions and powers relating to private education under the Private Education Act.

All Private Education Institutions (PEIs) are required to comply with the regulations under the Act in order to continue operations.

Following are the requirements which Singapore Institute of Management Pte Ltd (SIM PL) has put in place:

PEI-Student Contract

CPE, in aiming to enhance the confidence of students and their parents in the quality of education in Singapore, has stipulated that all PEIs must sign a PEI-Student Contract with students. The contract sets out the terms and conditions governing the relationship between the student and PEI. SIM PL will honour all terms and conditions in the contract and in all communication materials.

Students may request for a copy of the PEI-Student Contract from SIM PL or view it on the CPE website (www.cpe.gov.sg).

Cooling-Off Period

There will be a cooling-off period of 7 working days after signing the PEI-Student Contract. Students have the right to cancel the contract within the 7 working days and be refunded the highest percentage of the fees already paid if the students submit written notice of withdrawal to SIM PL within the cooling off period (refer to Clause 2.3 of PEI-Student Contract). After the cooling-off period, SIM PL's refund policy will apply.

Fee Protection Scheme

SIM PL adopts a compulsory Fee Protection Scheme (FPS) to protect the paid fees of both local and international students. The FPS serves to protect the student's fees in the event that the PEI is unable to continue operations due to insolvency, and/or regulatory closure. In addition, the FPS protects the student if the PEI fails to pay penalties or return fees to the student arising from judgments made against it by the Singapore courts.

SIM PL has appointed Etiqa Insurance Pte. Ltd. and Lonpac Insurance Bhd as our FPS insurance providers. Under the FPS insurance scheme, students' fees will be insured by the insurer pre-assigned by SIM PL. In case of events as stated above, students will be able to claim their paid fees from the respective FPS insurance provider.

More details of the FPS can also be found in the FPS Instruction Manual, available at www.cpe.gov.sg.

Medical Insurance

SIM PL has in place a group medical insurance scheme for all its students. This medical insurance scheme will have a minimum coverage as follows: an annual coverage limit of S\$20,000 per student, covers up to B2 ward in government and restructured hospitals and provides for 24 hours coverage in Singapore and overseas (if student is involved in SIM PL-related activities) throughout the course duration.

For more information on medical insurance, visit: www.simge.edu.sg/ge/medicalinsurance

Refund and Transfer/Withdrawal Policies

For refund and transfer/withdrawal policies, please refer to www.simge.edu.sg/ge/refund.

Confidentiality

SIM PL is committed to maintaining the confidentiality of the student's personal information and undertakes not to divulge any of the student's personal information to any third party without the prior written consent of the student SUBJECT TO the obligation of SIM PL to disclose to any Singapore government authority any information relating to the student in compliance with the law and/or to the organisation conferring/awarding the qualification.
