WELCOME MESSAGES

Welcome to SIM Global Education (SIM GE) – A global campus with over 10 top-ranking international universities from the UK, the US, Europe and Australia. As a premier institution of higher learning, we are a gateway to the world with a wide range of academic programmes to choose your ideal learning pathways from.

SIM GE is the global education arm of the Singapore Institute of Management (SIM Group) which was an initiative started in 1964 by the Economic Development Board to support Singapore’s industrialisation. As one of the largest and leading private educational institutions in Singapore, we take pride in our reputation for quality academic standards and a vibrant student experience.

At SIM GE, we are committed to delivering a holistic education to empower individuals in their respective fields and communities. We also aim to inspire passion in them to excel and to strive for bigger goals.

In today’s fast-changing world, the ability to adapt and evolve will give you an edge. With our multicultural learning environment and diverse campus life, you will gain the skills, knowledge and insights you need to be career ready. These will enable you to gain a Global Edge as you make your mark in the global workplace of the future.

I invite you to come and be a member of our community, and discover how, like them, you can fulfil your aspirations by embarking on an exciting educational journey with us.

Dr Lee Kwok Cheong
Chief Executive Officer
SIM Global Education

Gain a Global Edge at SIM GE for the global workplace in the future economy
We are very proud of the success we have had through our partnership with SIM GE.

The University of Birmingham pioneered business education in the UK, establishing the first Chairs of Commerce and of Accounting in the country in 1902. Today, the Business School has over 200 members of academic staff and over 5,000 students; with students from over 170 countries studying our programmes in the UK and Singapore, we are a truly global School.

Our partnership with the SIM Global Education (SIM GE) underpins the delivery of a range of leading degree programmes for undergraduate and postgraduate students in Business, Management, Accountancy, Economics and Finance.

The alliance with SIM GE combines our professors’ cutting-edge knowledge and the University’s brand and teaching quality with SIM GE’s unique support services and knowledge of regional market needs.

Our programmes provide you with a rigorous academic training, practical relevance and career-readiness. We also seek to develop you as responsible business practitioners. Our students are in strong demand from employers and our graduate employability rates are high.

We encourage you to make the most of your time with us, and to take the opportunity to gain the experiences, skills and qualities vital to your future development.

My colleagues and I look forward to welcoming you to our programmes in Singapore.

Professor Catherine Cassell
Dean
Birmingham Business School
University of Birmingham
SIM Global Education
A leading private education institution

SIM Global Education is the global education arm of the Singapore Institute of Management (SIM Group). Founded in 1964 on the initiative of the Economic Development Board to support Singapore’s industrialisation, the SIM Group also offers its educational and training services through four other brands: SIM International Academy (SIM IA), Singapore (Cambodia) International Academy (SCIA), SIM Professional Development (SIM PD) and Platform E.

SIM Global Education (SIM GE) offers quality overseas academic programmes awarded by top-ranking and reputable universities. SIM GE’s approach towards a holistic education is to develop students with a global edge for the global workplace with ability and adaptability for employability in the future economy. With over 150,000 alumni and about 19,000 students from over 40 countries, SIM GE is a leading private education institution in Singapore.
Why Study at SIM GE?

AWARD-WINNING INSTITUTION
Top 3 Best Private Institute for eight consecutive years in the annual AsiaOne People’s Choice Awards.

BOOST EMPLOYABILITY
82.7% of graduates found jobs within 6 months of completing their Bachelor studies.
Source: SIM GE Graduate Employment Survey 2016/2017

THROUGH-TRAIN PATHWAY
Over 80 full-time and part-time academic programmes through over 10 partner universities at diploma, undergraduate and postgraduate levels.

GLOBAL PERSPECTIVES & INSIGHTS
Exposure to diverse cultures and a global network of faculty and peers bring broader perspectives to learning.

STUDENT-CENTRIC CAMPUS
Wi-Fi enabled campus with comprehensive facilities for students’ academic and recreation needs.

VIBRANT STUDENT LIFE
Participate in over 70 student clubs with year-round activities in arts, culture and sports.

DEDICATED STUDENT SUPPORT
Support services include academic support at Student Learning Centre, a dedicated Student Services Centre, Student Wellness Centre, and initiatives such as financial assistance schemes and counselling services.

BOND-FREE SCHOLARSHIP & BURSARY
Scholarships are available to students who excel in academics, sports or arts.

NETWORK FOR SUCCESS
A multitude of learning resources and networking events for students and graduates offered through SIM GE platforms and SIM Membership.

ALUMNI ENGAGEMENT
Stay connected even after graduation - benefit from events organised by SIM GE Alumni Office or volunteer your time through mentorship initiatives.
With a blend of 40 nationalities from across the globe, SIM GE's remarkable global mix of cultural diversities provides an excellent platform for cultural exchange and knowledge sharing. A diverse student population, coupled with international faculty, is your gateway to a learning experience with a global mindset.

Tap into the rich resource pools offered by our membership activities and stay plugged into the latest industry trends through 8 Special Interest Groups. Connect with other like-minded professionals for sharing of best practices and experiences. With a community boasting over 37,000 individual and corporate members, you can leverage our networks for greater success. Your relationship with us continues even after you graduate. The SIM GE Alumni Family will help you develop and expand your network as you further your career aspirations. You can look forward to privileges and preferential access to professional development courses. Take advantage of our unparalleled networking opportunities such as Industry Forums, Networking Sessions, CEO Dialogue, annual Homecoming dinners, and Overseas Alumni Chapter events. Be updated on our calendar of events through SIM GE and SIM Membership newsletters and publications.

Embark on your journey with us to build meaningful connections as a student, a graduate and a professional.
Interact and build rapport with *industry experts* through our networking platforms

"The various knowledge sharing and industry networking events organised by SIM GE have helped to open doors for me. At one such event, I connected with a recruiter who helped me get an internship with Citibank, which then led to a permanent position. The events also provided an excellent platform for me to prepare for the challenging interviews and eventual role." (2018)

Ali Yaakub
SIM GE Alumnus
The University of Birmingham (Birmingham) was founded in 1900 and is now one of the largest in the UK, offering degrees across a wide range of disciplines. It is a major centre of research and academic study with an established international reputation for excellence with 11 Nobel Prize winners among its staff and alumni.

Birmingham has been challenging and developing great minds for more than a century. Characterised by a tradition of innovation, research at the University has broken new ground, pushed forward the boundaries of knowledge and made an impact on people’s lives.

Birmingham is constantly developing and evolving in its desire to become a leading global university. This is being achieved through the University’s enhanced research power and reach; the breadth and depth of academic portfolio; the extent of global networks and the distinctiveness of exceptional student experience.

Why choose the University of Birmingham?

- A gold-rated university for outstanding teaching and learning in the UK (Teaching Excellence Framework 2017-2020)
- A member of the Universitas 21 global network of top universities around the world
- Top 20 universities in the UK by the Guardian University Guide 2019
- Top 25 universities in the UK for Accounting and Finance, Business and Management Studies, and Economics (The Complete University Guide 2019)
- Ranked 79th in the world (QS World University Rankings 2019)
- Ranked by companies around the world as one of the Top 10 universities in the UK for graduate employability (Global University Employability Ranking 2017)
- A member of the prestigious Russell Group of 24 UK research-intensive universities

Find out more about Birmingham at: www.bham.ac.uk
We put people at the heart of business and business at the heart of society.

Birmingham Business School has been a major player in business education for more than a century and it is one of the oldest university business schools in England.

The School enjoys an international reputation and provides a wide variety of highly regarded programmes across a range of business disciplines through rigorous academic training, practical relevance and the skills for career-readiness.

The wide-ranging research of its staff means that the latest thinking in business education can be immediately fed into teaching, providing the insight, ambition and skills for new generation business leaders to shape advanced and sustainable business strategies.

Accreditation
Birmingham Business School holds the prestigious triple-crown accreditation from leading bodies - the Association to Advance Collegiate Schools of Business (AACSB International), the Association of MBAs (AMBA) and the European Quality Improvement System (EQUIS).

The Faculty Members
Many of the School’s faculty members are experts in their fields and their research contributes to academic debates worldwide. Some of the academic staff play advisory roles to both businesses and public sector organisations.

Industry Links & Employability
Birmingham Business School thrives on strong links with industry and employers. Our Advisory Board, chaired by Lord Digby Jones of Birmingham, consists of high-level executives selected for their exceptional stature. At Birmingham Business School, we create business degree courses which academically and personally prepare you for the working world. Your degree is evidence of your ability to succeed in a demanding academic environment. Employers target our students for their key employability skills developed during the degree programmes. Our graduate employability statistics are significantly above national trends. Birmingham Business School’s graduates are sought after by employers, with recent graduates being recruited by Procter & Gamble, IBM, HSBC, Barclays Capital and Dow Chemical Pacific.

Through a network of Business contacts in Singapore and worldwide, the University’s alliance with SIM GE, engaged alumni, and industry leaders, we offer students a unique mix of real world experience and opportunities which open doors to the graduate job market.
Overview
A deep understanding of economics is key to our continuing function as a global economy to establish successful trade, monetary and welfare policies across nations.

The Master of Science (MSc) (Economics) degree provides an advanced training in core areas of economics that are widely used in economics-based professions. You will receive specialist training in areas of relevance and take options in other areas of your interest to meet the growing demands for economics to address and solve real-world problems. This degree will give you a clear understanding and application of economics theory and techniques to modern businesses in emerging and developing countries.

Objectives
The MSc (Economics) degree will allow you to:
• appreciate contemporary economic thinking in modern businesses
• develop an appreciation and understanding of mainstream theoretical and applied techniques to help you prepare for or enhance your career
• apply theoretical knowledge, practical skills, tools and techniques in a written dissertation
• develop specific transferable skills in research and analysis, abstract and simplify, numeracy and IT, strategic thinking, evaluation and inferences, as well as interpersonal skills

Duration and Intake

<table>
<thead>
<tr>
<th>Programme Duration</th>
<th>Intake</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 Year Full-time</td>
<td>October</td>
</tr>
</tbody>
</table>

Pre-sessional Courses
Students will attend compulsory pre-sessional courses in Mathematics, Statistics and will also receive Stata software training. The courses are designed to enhance students’ knowledge and understanding in preparation for their academic studies in the programme. There are no exams and no additional charges incurred to the programme fee.

Modules
Students have to complete 7 taught modules and a dissertation.
• Microeconomics
• Macroeconomics
• Econometrics
• Game Theory
• Dissertation

Optional Modules (choose 3)
• Economics of Financial Markets
• International Trade Policy
• Monetary Policy
• Risk, Uncertainty and Information

The modules listed here and on the University’s website may occasionally be subject to change. For example, as you will appreciate, key members of staff may leave the University and this might necessitate a review of the modules that are offered. Where a module is no longer available, we will let you know as soon as we can and help you make other choices.

Mode of Delivery
Classroom learning comprising:
• Lectures
• Seminars
• Computer Sessions

Lessons are typically 3 to 8 hours per day on weekdays and weekends, and they are delivered on a modular basis by Birmingham academics. Suitable for fresh graduates and local working professionals.

Assessment
• Assignments/Projects
• Written Exams

Assessment is subject to change by the University.

Candidature Period: 1 year
There will not be any refund or recourse should the student fail to complete the programme within the candidature period.

Minimum Class Size: 20
In the event that the class cannot commence due to low take-up rate, applicants will be informed within one month before programme commencement.

Career Prospects
Graduates can develop a career in
academia, actuary, advertising, audit, commerce, financial services, industry, investment banking, journalism, consultancy, marketing, media, politics, research, tax, the public sector, or in any other profession that requires the valuable transferable skills and insights obtained from this degree. Those with existing careers may opt to accelerate their career path with existing employers, or create potential for change.

Admission Criteria
• Bachelor’s degree in Economics or a related discipline (Upper 2nd Class Honours degree or equivalent); or
• Bachelor’s degree in non-economics fields of study (Upper 2nd Class Honours degree or equivalent) and have a background in statistics and/or calculus at least at GCE ‘A’ level or polytechnic diploma level subject to the successful completion of a 3-month SIM Preparatory Course in Economics; and
• a minimum C6 pass in English as First Language at GCE ‘O’ level.
• All other qualifications will be assessed on individual merits.

All admissions are based on merit and are subject to the final approval of the Programme Director.

Applicants may be interviewed prior to acceptance into the programme. No exemptions will be granted.

Please visit SIM GE website for full details on programme admission criteria including English proficiency.

Programme Fees

“The MSc (Economics) is structured to allow students to understand the foundations of economics and develop the economic modelling skills for an in-depth understanding of the global economic environment.”
(2018)

Dr Marco Barassi
Director of MSc (Economics), Singapore Birmingham Business School
Reasons to study Birmingham’s postgraduate degrees at SIM

- The degrees are of the same standings and standards as those awarded in the UK.
- Long tradition and established track record of teaching business and management.
- Established international reputation of the University and the Business School.
- Research-led – cutting-edge research feeds directly into teaching.
- International syllabus with focus on the issues of globalisation.
- Dedicated academics and staff who provide continuous support for your studies.
- Join the alumni community of more than 300,000 graduates. From television and sport to research and government, the University has outstanding alumni across all sectors.
“The challenging curriculum of this programme has enabled me to gain valuable knowledge in Economics. This is pertinent in helping me to pursue my ideal career path.” (2018)

Hoang Thi Hong
Student from Vietnam, MSc (Economics)

“The programme is very well-structured. The lecturers make it a point to provide real-world applications and the administration support from SIM GE ensures smooth delivery of the course. Interaction between the students, lecturers and administrators also enables us to gain a holistic learning experience, and prepares us for career defining roles.” (2018)

Varun Jain
Student from India, MSc (Economics)

“Through this programme, I gained deeper insights into economic theories and their impacts in everyday life. These invaluable knowledge and skills are key tools for me to pursue an academic career.” (2018)

Pierce Lai
Local Student, MSc (Economics)
Overview
Business today is global and no company can be confident of surviving unless it appreciates this fact and understands its implications.

For graduates wishing to develop a career in international business, a wide range of opportunities exist. Multinational corporations are very short of managers from countries other than their domestic base, who have the understanding to operate comfortably in different countries. Small and medium-sized firms with strong niche positions are also increasingly looking for talented and well-trained staff to help them undertake international expansion. In major emerging economies such as Brazil, China and India, successful domestic firms are poised to become multinational through overseas expansion. They too welcome graduates with the appropriate knowledge with regard to conducting business internationally.

The Master of Science (MSc) International Business degree draws on the talents of internationally respected scholars and highly respected teachers. Their expertise covers globalisation, the international aspects of strategic management, accounting and finance, corporate governance, e-commerce, international human resource management, innovation, marketing, organisation of multinational corporations, operations and procurement, cross cultural communication, etc.

Objectives
The MSc International Business degree will allow you to:
• appreciate the global nature of business from different international perspectives
• develop an appreciation and understanding of relevant and current international issues in order to develop your career anywhere in the world
• demonstrate comprehensive knowledge and understanding in key areas of international business
• apply theoretical knowledge, practical skills, tools and techniques in a written dissertation
• develop specific transferable skills in research, data processing, critical analysis, problem solving, strategic decision making, as well as interpersonal skills

Duration and Intake

“The programme adopts an integrated approach to international business. Learning from university lecturers and students from various countries has been a great and enriching experience.” (2018)

Sabeen Farooq
Student from India, MSc International Business

“The programme provides a rigorous curriculum on modern business practices. Coupled with projects and a written dissertation on a related topic of my choice, the course equips me with the knowledge and skillset that enables me to confront global challenges.” (2018)

Nick (Zin Win Htet)
Head of Finance Department & Board Member, Myanmar Oriental Bank
Graduating Student from Myanmar, MSc International Business

“I chose the programme because University of Birmingham is one of the leading, triple-crown accredited universities in the UK. Through the interaction and exchange of ideas with lecturers and peers, the study experience in SIM was enriching and it has allowed me to adopt an innovative mindset towards international business practices.” (2018)

Luke Soekwanto
Health & wellness industry, Indonesia
Graduate from Indonesia, MSc International Business
Overview

Master of Science Management
Every organisation demands high-level management in order to run smoothly and efficiently. From strategy and policy to development and innovation, strong managers lead successful businesses, driving them forward and raising their profile, profits and reputation. This programme allows a mixed pathway where students can study elective modules from any of the areas in Entrepreneurship and Innovation, Organisational Leadership and Change and Strategy.

Master of Science Management: Entrepreneurship and Innovation
Entrepreneurship is at the heart of successful business, driving forward innovation and constantly pursuing new achievements and ambitions. In this role, you will be responsible for some of the most exciting, dynamic and inspiring developments across a range of industries.

Master of Science Management: Organisational Leadership and Change
Organisations have competitors attempting to appropriate their market share, regulations governing what they can do and cannot do, operations and projects that often involve risky activities and unexpected events and changes. On this pathway, you will master skills such as sustainable leadership, crisis management and developing resilience and reliability in the face of emerging organisational issues and environmental threats.

Master of Science Management: Strategy
Strategic management and leadership are what drive successful companies forward, shaping their decision making and helping them achieve their ambitions. Without a strong strategic plan, organisations cannot function at a competitive level, so you will be a key player in your company’s success.

Objectives
The Management programmes will allow you to:
• gain an overview of the current debates, issues, controversies and emerging phenomena in the practice of business and management
• understand advanced management concepts through a combination of core foundation subjects and elective modules
• apply theoretical knowledge, practical skills, tools and techniques in a written dissertation
• develop specific transferable skills in research and analysis, critical thinking, problem solving, teamwork, management and leadership, as well as interpersonal skill
• have choice and flexibility in tailoring the programme to match your interest and needs

“The MSc Management pathways are for those who already have background knowledge of international business and who wish to develop their managerical experience and competence. The pathways offer the flexibility to either focus on particular subject areas or to take a broader, more varied, selection of modules. You will learn, enhance your skills and confidence, enabling you to thrive in modern organisations.” (2018)

Mr Nick Potter
Director of MSc Management Programmes, Singapore Birmingham Business School
“This programme provides me valuable insight and knowledge on various topics of management study and its niche area of entrepreneurship, which allows me to relate to real-life experiences.” (2018)

Lenny D. Putri
Student from Indonesia, MSc Management: Entrepreneurship and Innovation

“The application of international business case studies in this programme is very useful as it relates to modern management concepts. I am able to understand how organisations keep abreast of business trends to stay competitive in an ever-changing environment.” (2018)

Kyaw Soe Han
Student from Myanmar, MSc Management

“This programme enables me to acquire the knowledge and skills that are essential for me to manage and expand my family business.” (2018)

Tan Zhicheng
Student from China, MSc Management: Strategy
Graduate from BSc (Hons) International Business, University of Birmingham & SIM Diploma in Management Studies
How to Apply
Visit www.simge.edu.sg/ge/how-to-apply for the application process, list of required supporting documents, documents verification process and more information.

For an international applicant applying to a full-time programme, you must submit an online Student’s Pass (STP) application form. Your Student’s Pass application is subject to approval of the Singapore Immigration & Checkpoints Authority (ICA).

Application Fees
An application fee is payable for each application form that is submitted. This fee (inclusive of the prevailing GST) is non-refundable and non-transferable. The fee will be fully refunded only if the intake does not commence. Unpaid applications will not be processed.

Payment Mode: MasterCard/Visa credit cards or eNETS

Private Education Act
Under the Private Education Act, legislated in December 2009, a Council for Private Education was set up to regulate the private education industry in Singapore. From 03 October 2016, the Council for Private Education became part of a new statutory board – SkillsFuture Singapore (SSG). Under the new structure, the SSG Board appointed the Committee for Private Education (CPE) to carry out its functions and powers relating to private education under the Private Education Act.

All Private Education Institutions (PEIs) are required to comply with the regulations under the Act in order to continue operations.

Following are the requirements which Singapore Institute of Management Pte Ltd (SIM PL) has put in place:

PEI-Student Contract
CPE, in aiming to enhance the confidence of students and their parents in the quality of education in Singapore, has stipulated that all PEIs must sign a PEI-Student Contract with students. The contract sets out the terms and conditions governing the relationship between the student and PEI. SIM PL will honour all terms and conditions in the contract and in all communication materials.

Students may request for a copy of the PEI-Student Contract from SIM PL or view it on the CPE website (www.cpe.gov.sg).

Cooling-Off Period
There will be a cooling-off period of 7 working days after signing the PEI-Student Contract. Students have the right to cancel the contract within the 7 working days and be refunded the highest percentage of the fees already paid if the students submit written notice of withdrawal to SIM PL within the cooling off period (refer to Clause 2.3 of PEI-Student Contract). After the cooling-off period, SIM PL’s refund policy will apply.

Fee Protection Scheme
SIM PL adopts a mandatory Fee Protection Scheme (FPS) to protect the paid fees of both local and international students. The FPS serves to protect the student’s fees in the event that the PEI is unable to continue operations due to insolvency, and/or regulatory closure. In addition, the FPS protects the student if the PEI fails to pay penalties or return fees to the student arising from judgments made against it by the Singapore courts.

SIM PL has appointed Etiqa Insurance Pte. Ltd. and Lonpac Insurance Bhd as our FPS insurance providers. Under the FPS insurance scheme, students’ fees will be insured by the FPS insurance provider pre-assigned by SIM PL. In case of events as stated above, students will be able to claim their paid fees from the respective FPS insurance provider.

More details of the FPS can also be found in the FPS Instruction Manual, available at www.cpe.gov.sg.

Medical Insurance
SIM PL has in place a group medical insurance scheme for all its students. This medical insurance scheme will have a minimum coverage as follows: an annual coverage limit of $20,000 per student, covers up to B2 ward in government and restructured hospitals and provides for 24 hours coverage in Singapore and overseas (if student is involved in SIM PL-related activities) throughout the course duration.

For more information on medical insurance, visit: www.simge.edu.sg/ge/medicalinsurance.

Refund, Course Transfer, Leave of Absence and Withdrawal Policies
For refund, course transfer, leave of absence and withdrawal policies, please refer to www.simge.edu.sg/ge/refund.

Confidentiality
SIM PL is committed to maintaining the confidentiality of the student’s personal information and undertakes not to divulge any of the student’s personal information to any third party without the prior written consent of the student SUBJECT TO the obligation of SIM PL to disclose to any Singapore government authority any information relating to the student in compliance with the law and/or to the organisation conferring/awarding the qualification.
